

Letter to Request New ARB Hearing Date

If you have already filed your own protest, call us so that we can reschedule your hearing date to coincide with our pre-assigned dates, or to at least make sure we can attend on your hearing date.

You will need to print the following (see below) “Letter to Request New ARB Hearing Date”, fill out the required information, and transmit it to us so that we can coordinate with the appraisal district to reschedule the hearing. Otherwise we may not be able to attend your individually scheduled hearing.

The Re-Schedule Letter is on the following page.
